TRAINING AND EVENTS FROM HSE

CRD Live Online Bitesize Event: Efficacy – Justification of co-formulated mixtures of active substances within plant protection products in GB and NI

UK time (approx.)	18 February 2027
9:30am	**Welcome and introduction**
9:35am	**Introduction to co-formulated products** - What are the requirements of EPPO standard PP1/306(2) - Justification of co-formulated mixtures - Justification of the ratio of active substances
9:50am	**CRD interpretation of 306: Building a robust justification and guidance** - What benefits can justify a co-formulated mixture? - Increased effectiveness vs increased spectrum of activity - Resistance management
10:20am	**Break**
10:30am	**Common problems:** - Insufficient and/or inappropriate data - Overreliance on resistance management
10:45am	**Worked examples:** - Fungicide and herbicide worked examples to illustrate differences of approach
11:15am	**Mixtures of more than two active substances:** - How are these justified? - Which combinations of components must be tested.

11:30am	**Question and Answer session**
11:45am	**Meeting close**
